A Chorus Line **examines one day in the lives of seventeen dancers, all vying for a spot in the "chorus line" of a Broadway musical. After the first round of cuts, Zach, the director and choreographer, asks each dancer to speak about themselves. Discomfort opens into revelation, confession leads to redemption, and within the bright, outwardly homogeneous chorus, the audience begins to see each dancer's individuality. From Cassie, the star who just needs the "music and the mirror and the chance to dance," to Val, a small-town girl with a brand-new big-town body, to Mike, who took his sister's place in dance class, saying "I can do that." Based on real Broadway dancers' stories, as told to fellow dancer and choreographer Michael Bennett,** ***A Chorus Line*** **is funny, heartbreaking, and refreshingly honest.**
